If you are working with the children this year in VBS and have not seen the Child Liability Video, please take the time to come and watch it today at 2 p.m.

If you are available today at 2 pm and could help set up for VBS, we would love for you to come and help. We especially need some men to help. Thanking you in advance for your help.

Each September our BYW meets for their first meeting of the year. Each month of the year we do a mission project and for September we collect school supplies for Churchland Elementary School. As you know school supplies can be very costly for a family with kids in school. We like to help maybe relieve some of this cost by gathering these supplies for them. We are opening this up for any church member that would also like to help with this project. There will be a box in the foyer of the church starting this Sunday, July 14th and will run until the end of August. Here is a suggested list for you to go by:
